Grote Markt 1, 2000 Antwerpen

Willemdok

River Scheldt

The city of Antwerp has a unique way of effortlessly combining its glorious past with constant innovation.

As a dazzling metropolis, it stretches along the River Scheldt, forming a welcoming melting pot with a wide range of nationalities.

It is an attractive and lively city, with an open mind – a perpetual source of artistic inspiration.

On top of this perfect setting, the **Antwerp City Film Office** is here to support your project, from application to final cut.

This guide is an excellent starting point to discover Antwerp and all its attractions.

Flick through to find out how the **Antwerp City Film Office** can help to make your picture perfect.

St. Anna's Tunnel

Flemish Opera

## **HUNDREDS OF ORIGINAL LOCATIONS IN THE HEART OF EUROPE**

Antwerp is conveniently compact. More small-scaled than other metropolitan cities, and thus more personal.

Ancient monuments, a vibrant world port, vast polder landscapes and a cosmopolitan centre, all blended together on a surface of less than 26 kilometres (16,15 miles) to 11 kilometres (6,83 miles).

Choose à la carte from this unrivaled luxury.

Are you looking for the perfect location for your commercial, full-length film, final project, documentary or television series?

The Antwerp City Film Office will show you the way!

MoMu

Vleeshuis

Port of Antwerp-Bruges

Park Spoor Noord

## **INSIDE INFORMATION AND MAXIMUM FLEXIBILITY**

Antwerp is a city full of exciting discoveries. However, when working under tight deadlines, you want to move in a fast and focused way.

Any scene worth shooting has its ideal setting in Antwerp ... You just have to be able to locate it. Which is exactly what our Film Office will assist you with.

Central Station

Eilandje

## **GLORIOUSLY AUTHENTIC, REMARKABLY MODERN**

Authentic history or radical modernism, residential chic or popular folklore, industrial activity or natural green ... It is crystal clear: Antwerp breathes diversity.

Kiel, Zuid, Zurenborg, Noord: each city district offers its own unique atmosphere.

Our Film Office will help you to get the most out of this diversity.

We are in direct contact with dozens of organisations and institutions that will help you to finalize your production, down to the last detail.

St. Anna's Tunnel

Butterfly Palace

Still from movie "Will", filmed at Central Station

Hobokense Polder

Still from "Diamonds" series, filmed at Jewish Quarter

Hendrik Conscience Heritage Library

## **AN INVESTMENT YIELDING PROFIT IMMEDIATELY**

Turn your takes into a creative investment that yields immediate profit.

Check out the websites of Screen Flanders ([screenflanders.be](http://screenflanders.be)) or Tax Shelter ([minfin.fgov.be/portail2/belinvest](http://minfin.fgov.be/portail2/belinvest)) to see whether your production qualifies for financial sponsoring. As we all know, financial peace of mind soothes the creative spirit.

While you are choosing between hundreds of unique locations, the Antwerp City Film Office is your single point of contact concerning all necessary permits.

We will make sure you can concentrate on production, instead of being involved in a bunch of administrative red tape.

## 2021 in numbers

---

**381** applications for takes

---

**1203** shooting days

A photograph of the Tim Van Laere Gallery building, a modern concrete structure with a large wall featuring the gallery's name in white capital letters. A person is walking in the foreground, and a tree is on the right. A blue square is in the top left corner.
